

7th EULAR Course on Epidemiology – Observational Studies

Berlin, Germany, 26 – 27 June 2020

We are pleased to inform you that the 7th EULAR Course on Epidemiology is open for registration.

About the course

This two-day course is aimed at young European rheumatologists/HPR/researchers with some experience in epidemiology/outcomes research.

The main goal of the course is to increase the interest, knowledge and skills of young researchers in epidemiology and outcome measures, and stimulate critical thinking in the design and reading of research studies. Furthermore, the course will also allow young researchers to get together, which will facilitate future collaborations; as well as interact with the prestigious speakers.

The course will further focus on interactive learning and practical training, as reflected in the time dedicated for discussion and workshops.

Course fee: 500 EUR includes the course access, 2-night accommodation, coffee breaks and meals.

Registration and more information: If you are interested in participating in the course, please follow the corresponding link to register and to find out more about the course: <https://esor.eular.org/course/view.php?id=134>

Deadline for application: 30 March 2020. Early registration is advisable. Number of participants is limited.

For further questions, please do not hesitate to contact education@eular.org.
